A MESSAGE OF THANKS FOR OUR OUTSTANDING VOLUNTEERS

As we mark National Volunteer Week, I am once again reminded of the tremendous gifts offered by Alberta volunteers every day and in every corner of our province. That includes all the caring and hardworking citizens like you who volunteer your time, creativity and leadership with the **Historical Society of Alberta**. You play an essential role in keeping our communities vibrant, strong and healthy. You get involved because it's the right thing to do and because you want the best for your neighbours and for us all.

The current challenges brought about by the COVID-19 pandemic have only served to highlight the wonderful volunteer spirit that thrives across Alberta. It reminds us that we all have the power to make a difference and to lift up those who need a helping hand.

As Her Majesty the Queen's representative in Alberta, it's my pleasure to recognize all of the hardworking volunteers who keep the **Historical Society of Alberta** going strong. You are united by a common heart for service that shines. I am so proud to be your Honorary Patron. Thank you for your commitment to giving back and keep up the great work!
